## **WOMEN ON THE MOVE!**

*Unique Personal Success and Empowerment Conference for Businesswomen Raises Funds for Greater Sacramento Area Habitat for Humanity Home Built by Women Only*

SACRAMENTO – The **Women On The Move** conference Sept. 28-29 in Sacramento will feature top national business experts speaking to area businesswomen on the tools and knowledge needed for continued personal success and empowerment. This event is a fundraiser for a Greater Sacramento Area **Women Build** project, a special, high-profile endeavor of **Habitat for Humanity International**.

“We’re excited with the caliber and expertise of the professionals who make up the program,” said Lisa Marston, **Women On The Move** founder and CEO of The Foresthill Group, Inc.

**Women On The Move** will feature an impressive line up of speakers, including keynote speaker **Sharon Lechter**, co-author of the **Rich Dad Poor Dad** series, and a dynamic international speaker who focuses on entrepreneurial business strategies and financial literacy.

Other speakers include; **Garrett Sutton**, host of **WealthDNA’s Wealth Talk American Radio Network**; **Stephanie Chandler**, small business expert and author of **From Entrepreneur to Infopreneur**; and **Kathleen Ronald**, founder of Speaktacular.

“The businesswomen attending this conference will all receive practical, take-home information which will be useful regardless of where they may be in their professional and personal lives,” said Marston.

Other topics include: real estate investing; life and work balance; asset protection; information marketing; and conducting business on the internet.

“We are grateful for the support that the **Women On The Move** conference will bring to our second Women Build project. The enthusiasm and excitement that this conference will generate will be invaluable in attracting the volunteer and financial resources needed to build this home,” said Ken Cross, CEO of Sacramento Habitat for Humanity.

**Women Build** is a **Habitat for Humanity International** program that empowers and encourages women to have fun and make a difference by building homes and communities. Nearly 1,000 Habitat houses have been built by women crews around the world.
